

## Interested in Sponsoring a Beloved Community Program?

The Lake Highlands High School band program is made up of over 1,100 of the most talented, hard-working students in Richardson ISD. Our marching band, concert bands, and individual students compete at the highest levels both locally and statewide. Our events and activities draw large crowds of parents, students, and fans alike; and we would like to add you to our Wildcat Band family.

The Lake Highlands High School Wildcat Band is offering sponsors the opportunity to advertise their company effectively, while at the same time showcasing their support of the community in which they do business each and every day. This is your chance to show your support for fine arts education in Lake Highlands and RISD, all while getting your company's name in front of thousands of potential and current customers. Imagine all of the Lake Highlands families that see and appreciate your company's support of a local institution! The Lake Highlands community is a very close knit and loyal group of families.

The Lake Highlands Area Band Club has a deep commitment to our students and their families, and we want everyone who has the desire to participate in our band program to be able to do so. Your sponsorship would not only help more students who want to be in band to achieve that goal, but it would also allow for a more enriching music experience for ALL of our students.

On the following page are the different levels of sponsorship that you can participate in, and listed are the amazing benefits you will receive.
